This calendar includes 5 snow days. Unused snow days will be used as additional school holidays. If more than 5 snow days are required, any school holiday or recess day remaining on the calendar may be rescheduled as a school day, or added to the end of the school year. This advice is offered to parents and staff in advance of any arrangement individuals may elect to make, at their own risk, to schedule personal or family activities on holidays or recess days that may be converted to school days, as required.
