We rescue, rehabilitate, and train shelter dogs into service dogs for children with autism and other special needs, veterans, and first responders. Each dog is trained specifically for the needs of the individual.

We rely solely on charitable donations to help families in need. Our goal is to ensure that service, therapy, or companion animals are available to everyone regardless of financial circumstance.

Merlin's kids is a tax-deductible 501(c)(3) not-for-profit organization.

Thank you for all your support!

If you cannot attend the event but would still like to make a donation, please visit us at www.merlinskids.org
